Professional Summary

Dr. Yagoub Ali Gangi is an accomplished Associate Professor of Economics at Ahmed Bin Mohamed Military College in Qatar, with extensive academic, administrative, and consultancy experience. He holds a Ph.D. in Economics from Manchester Metropolitan University in the United Kingdom and previously served as an Associate Professor of Economics at the University of Khartoum in Sudan, where he also worked with several higher education institutions. His research focuses on entrepreneurship development, economic growth, foreign direct investment, and the institutional environment in Arab countries, Qatar and Sudan. Dr. Gangi has also served as a consultant for the World Bank for several years, contributing to projects aimed at enhancing economic performance and governance. His scholarly work significantly advances understanding of knowledge-based economies and the factors driving economic progress and entrepreneurial activities in developing regions.
